

[illegible]

[Verse 1]

All that I want is more than you can give me  
All that I need is a simple life  
I don't need no problems, no, I just want sunny sky  
I cannot live without you by my side

Talon  
Rune

[Chorus]

Don't give up, don't you give up on me  
Don't give up, don't you give up on me  
Don't give up, don't you give up on me  
Don't give up, don't you give up on me  
Don't you give up on me

[Verse 2]

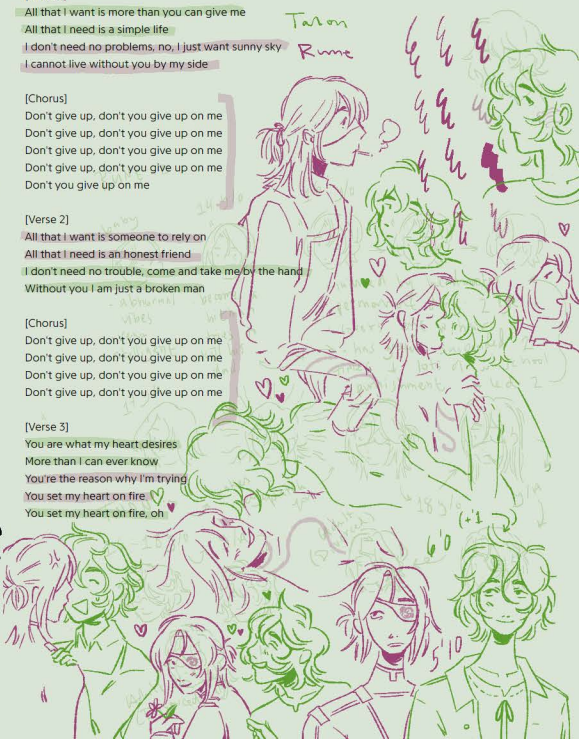

All that I want is someone to rely on  
All that I need is an honest friend  
I don't need no trouble, come and take me by the hand  
Without you I am just a broken man

[Chorus]

Don't give up, don't you give up on me  
Don't give up, don't you give up on me  
Don't give up, don't you give up on me  
Don't give up, don't you give up on me

[Verse 3]

You are what my heart desires  
More than I can ever know  
You're the reason why I'm trying  
You set my heart on fire  
You set my heart on fire, oh

missing heart :/

it takes years to develop your craft. do not romanticize the idea of an 'overnight success'. be a student. grow organically. get really good. hate your work. start over. find new ways to express the same ideas. the student becomes the master. your time will come.

THE IDEA OF BEING UNLOVABLE IS SO MUCH MORE PAINFUL THAN HONEST WOULD BE. I GRANTED, FOR UNAPPRECIATED, HURT, MISUNDERSTOOD + DISREGARDED THAN I DON'T ABOUT HOW REALLY FEEL
